WRIGHT ADMIRER OF BRAHIC.

J. H. Farrell, secretary of the National league, has sent out his reserve contract and release slip. It is interesting to Paducah fans because of the fact that several well known players who have worn Kitty league uniforms are features in it.

Elmer Duggan, formerly of Vincennes, but this year with Nashville, has signed again with Nashville. Charlie Bomar, formerly with Hopkinsville, but who played with Decatur in the Three I, and later with Houston, Tex., in the Texas league, has been bought by Columbus in the American association. Duckie Holmes, formerly with Clarksville, has been bought by Philadelphia from Augusta, Ga. Mattison has been bought from Vincennes by Evansville. Hub Peedue and Bill Chenault, will go to the Chicago Nationals. R. F. Kinsella, of Mattoon, unknown to Paducah fans because he joined after Mattoon left Paducah, has been bought by Springfield, Ill., in the Three I league. William Moran and Robert Farrell have been bought from Vincennes by Peoria, Ill. Louis Schan, formerly a catcher with Hopkinsville, goes from Evansville to Louisville. Buck Freeman goes from Evansville to the Chicago Americans. Gus Bonno, formerly with Paducah and later with Vincennes, goes with Washington in the National from Norfolk, Va. Fred Miller from Paducah goes to the Pittsburgh Nationals. John J. Duffy, formerly with Vincennes, was released by Rochester, N. Y.

The bulletin contained many other names, but the players are not known to Kitty league fans.

Wright Admires Brahic.
Sammy Wright, the pitcher, is still in Paducah and says he believes Dick Brahic, the Paducah pitcher, the best fielding pitcher in the league. Brahic is quick on his feet and never loses his head.

"I never saw a boy like Brahic before," Wright declared. "He fields fast as lightning and I never did see him get up in the air. He is a good hitter and I am surprised that some bigger league team does not snap him up."

Brahic was wanted at the beginning of the season by Memphis, but Lloyd would not let him go. Wright, who pitched excellent ball for Paducah, is wanted by Louisville, but the deal has not been closed yet.

"KEELEY MONSTER"

NOT THE KIND THAT DRIVES MEN TO THE KEELEY CURE.

Got Out and Then a Snake Bit Johnson's Hand—Carnival Is Drawing Big Crowds.

A consignment of snakes with a "Keeley Monster" among them arrived yesterday consigned to W. B. Johnson, a snake handler at the carnival. One rattler died and the stench prompted an attack of the snake man's show to remove the snakes. The "Keeley Monster" got away and hid in a telephone cable conduit. He was captured again and placed in a strong box. It will be on exhibition tonight at the carnival.

Following the Keeley monster, escapee one monster bit Johnson on the right arm.
The carnival is drawing crowds both afternoon and night and the attractions are said to be excellent. The big circus with 16 acrobats, draws well, and the Old Plantation is also a big drawing card. One feature of the latter show is the family of negro musicians. There are husband and wife and seven children. Besides these there are five other big attractions and one, the eruption of Mount Pelee is free. It is an attraction that is said to cost \$1,500.

Saturday is Children's day at the carnival, and all children will be admitted free that day.

TWO ARRESTS MADE.

Man and Woman Held on Suspicion of Philadelphia Murder.

Philadelphia, Sept. 14.—Accompanied by several detectives, Miss Charlotte Kelley, proprietress of the apartment house in which Mrs. Maurice Lewis was mysteriously murdered on Monday, was today taken over the route she claims to have traversed on Monday afternoon while visiting and shopping. Miss Kelley claims to have been away from home all of the afternoon, and swears that on her return she found her house in disorder and the 17-months-old child of Mrs. Lewis spattered with blood. She called in a policeman, and the latter after a search, found the body of Mrs. Lewis in a closet. Harry Somers, a boarder, is detained by the police. It was learned that blood was found on his clothing.

RETAIN LIEUTENANT-GENERAL.

Gen. Corbin Makes Recommendation to War Department.

Washington, Sept. 14.—Lieut. Gen. Henry C. Corbin has recommended to the war department the retention of the grade of lieutenant general and bestowal of the grade upon all corps commanders. He urges that the major general commanding the division of the Philippine Islands should have the rank and pay of a lieutenant general while so serving.

OPEN SATURDAY NIGHT

REGULAR COURSE FOR THE TEACHERS

Proposed By County and City Superintendents

Prof. Lieb Suggests That One Friday Afternoon Each Month Be Taken for Work.

ENROLLMENT IS INCREASING

The desire of Paducah public school teachers is to follow the methods of the Indiana schools in regard to monthly meetings, and the board of education will be petitioned probably at the next meeting to adopt that method, which will work a dual beneficial result.

"We talked over the regular monthly literary meeting last week at the general meeting on Friday," Superintendent Lieb stated, "and the idea of the teachers seemed to be to meet on Saturday instead of Fridays, as we have been meeting. In Indiana, the pioneer of the movement, teachers are compelled to meet on Saturday and the board pays them for their time. The teachers this year want some professional course—some course pertaining directly to their work—but the study has not been selected. We will meet next week to settle on our course and will also take some action towards fixing the day of meeting."

This week brought few developments in the organization of societies, but the usual program of clubs will be arranged.

"We will have a good orchestra in the High school again this year," Principal Payne said, "and we will have the usual features in clubs, and debating societies. We will have a debating society, literary society and other features that we introduced last year, and which proved so beneficial and successful. The organization will begin next week."

The athletic department has already organized and elected Brent James president and D. A. Yeiser, Jr., secretary. Football, baseball and the usual sports will be indulged in. The tennis court will be improved and tennis started before the weather is too cold.

If the plans of County Superintendent J. M. Billington are carried out the county and city teachers will affiliate in work beneficial to the professional generally. It is the idea of the county superintendent to hold monthly meetings of county and city teachers. This morning city school officials stated that the city teachers were willing and it is probable that the meetings will be arranged this month.

High School Lectures.

Lectures as a weekly feature in the High school will be resumed and the first speaker to be invited will be Rev. Calvin M. Thompson, pastor of the First Baptist church. Wednesdays will be the regular music day, and four days each week will be featured with special opening exercises of some kind.

Total Enrollment.

The enrollment in the city schools for the first week of school exceeds that of last year by nearly 100 in the white, and over 200 in the colored. The figures were furnished by the superintendent and follow:

Baggage man Flowers is the oldest employe in his department probably in the state. He has served longer and his excess baggage collection re-

NATIONAL CIGAR STANDS

The Best Cigars Are Now Sold in Drug Stores

This statement is revolutionary, but it is the truth—verified already by hundreds of thousands of discriminating smokers throughout the country. Two thousand druggists who own cigar stands, have wrought a revolution in the cigar trade by the simple expedient of pooling their buying power.

Think what this means! Two thousand druggists—as the National Cigar Stands Co.—buy as one. It buys in million lots; owns its own brands; and controls entire factories. It cuts out four jobbers' profits and puts cigars into the stores of its members nearer to cost-production than has ever been thought possible. All stores in the National Cigar Stands organization—the undersigned among them—have a miniature capitol in the window. Find this sign and then ask for a

Black and White

(Perfecto or Bouquet Size) 5 cents each

You will need to smoke only one to determine that "Black and White" is better quality than any cigar store has heretofore sold at three-for-a-quarter. Specially built National cigar cases insure every cigar reaching the smoker in prime condition.

There are six National Cigar Stands in Paducah at the following addresses and only at these stands can National Cigars be obtained.
